Re: Notice of File Closure, Chimney Rock Corporation, Chimney Rock #2, S/015/066 (ML 45089), Emery County, Utah

Dear Mr. Powell:

On February 18, 1998, we received notification from the School and Institutional Trust Lands Administration (SITLA) that your mineral leases had been terminated for the Chimney Rock II site as a result of a settlement agreement. As a result of the settlement, SITLA will be responsible for performing reclamation of the current disturbance at this site. This letter is to officially notify you that your small mining permit will be retired and the Division file S/015/066 closed. If you plan to conduct any new mining activities in this area, you will need to submit the appropriate notice of intention prior to commencing any such activities.

If you have any questions regarding this letter, please contact me at (801) 538-5267.

Sincerely,

A handwritten signature in cursive script, reading 'Anthony A. Gallegos'.
